## **Fundraiser Postponed**

The Home Trust has postponed the **"Have a Heart Pizza Paddle Raise"** fundraiser, originally scheduled Saturday, February 10 at the San Juan Grange. It will be rescheduled at a later date.

**Raffle tickets** for the fun child's battery-powered **Tesla** will still be available for \$50 each at the Home Trust office, 435C Argyle. There are only 100 tickets available, so chances of winning it for that special child are excellent.

The raffle drawing will take place as part of the celebration when two more classic homes from the Victoria/Oak Bay areas will be barged in to Jackson Beach some time in mid-March. Look for more bulletins as this date draws closer!
